ITEM UPC 8-60011-62800-2

BAG DIMENSIONS 11.4 in X 9.8 in x 2.16 in

BEST BUY DATE 3 YEARS FROM Production date

Country of Origin EGYPT

Method of Catch Wild Caught

Our whole cooked Egyptian product is Wild Caught. Caught in the free-flowing waters of the Nile River. This makes it a superior product to its competitor countries. The crawfish tends to be larger, cleaner, and denser, which supplies more meat per crawfish. The plant is FSSC22000 certified for the highest standards. We are also SMETA certified for social compliance. A La Carte Specialty Foods is also compliant with new FDA traceability guidelines and regulations. (FSMA204)
